Your role

Your primary responsibility as part of your club's Rotary Foundation committee is to inspire club members to give to the Foundation and participate in its programs. Your role includes:

- Promoting Foundation grants and activities and helping members take part
- Conducting at least four motivational Foundation-focused club programs a year
- Participating in the grant management seminar to ensure that your club qualifies for Rotary Foundation grants
- Overseeing the grants qualification process
- Motivating club members to give to The Rotary Foundation
- Working with the club treasurer to manage any Foundation grant funds the club receives
- Helping the club treasurer submit donations to the Foundation promptly and accurately
- Collaborating with your district's international service chair and service projects committee to develop and fund projects
- Enhancing members' experience by offering them an opportunity to participate in meaningful service

To prepare for the year, meet with the outgoing club Rotary Foundation committee to review your club's strategic plan and goals related to the committee. Ensure each incoming committee member can explain the Foundation's structure and activities to other members of the club and community.

Throughout your term, you'll work with other committees and club and district leaders. Select each card to learn more.

Club Treasurer

Work together to manage your budget, fundraising activities, and the committee's funds.

Service projects committee

Find project resources and determine if any current or future projects can be funded by Rotary grants.

Membership committee

Locate Rotary program alumni and invite them to talk about their experiences and to participate in club events.

Public image committee

Promote projects and fundraisers to the media and on social media. Encourage members to participate in these fun and engaging activities.

District international service chair

Get advice on planning projects, using district resources, and conducting community assessments.

Your district Rotary Foundation committee

The district Rotary Foundation committee can assist you throughout the year. Meet with your district committee regularly to hear updates about the work of the Foundation, share your progress toward your club goals and the strategies you're using, and discuss ways to engage your members.

Promoting The Rotary Foundation

The Rotary Foundation's mission is to help members advance world understanding, goodwill, and peace by improving people's health, providing quality education, protecting the environment, and alleviating poverty.

Raising people's awareness about the Foundation and engaging members in its activities are goals that your committee will pursue throughout the year. Work with club leaders and your district Rotary Foundation committee to develop fun, meaningful activities and share important information.

Here are a few ways to inform and educate your club and community about the Foundation:

Use your club website to share stories about the Foundation's meaningful work and impact.

Plan community events to promote and raise funds for the Foundation.

Recognize members and others for outstanding service or significant financial gifts to the Foundation.

Organize presentations at club meetings

Invite alumni and volunteers to speak about how a Foundation program has benefited them or about their involvement with a program that helped others.

Ask to have time reserved at club meetings to recognize members who have contributed to the Foundation and to talk about how members can support it. Do this at least every quarter, and make sure to do it in November for Rotary Foundation Month.

You can download videos that demonstrate the Foundation's work. And you can find Rotary Foundation logos and promotional materials in the Brand Center. These resources can enhance your presentations and help people understand the work of the Foundation.

Encourage support for PolioPlus

Motivate your club members to be part of Rotary's effort to eradicate polio. Encourage people to donate to PolioPlus. Consider planning a fun event each year, perhaps related to World Polio Day([opens in a new tab](#)), to involve members in this important initiative.

Raise awareness about Rotary Peace Fellowships

Rotary Peace Fellowships are Rotary's premier educational program, and the Rotary Peace Centers are an important part of the Foundation's mission to promote world understanding. Your club can recruit and sponsor a qualified candidate for a fellowship. Learn more about peace fellowships.

Talk about Every Rotarian, Every Year

Rotarians have a special goal to encourage active and ongoing participation in giving to The Rotary Foundation. Ask every member of your Rotary club to contribute to the Annual Fund every year.

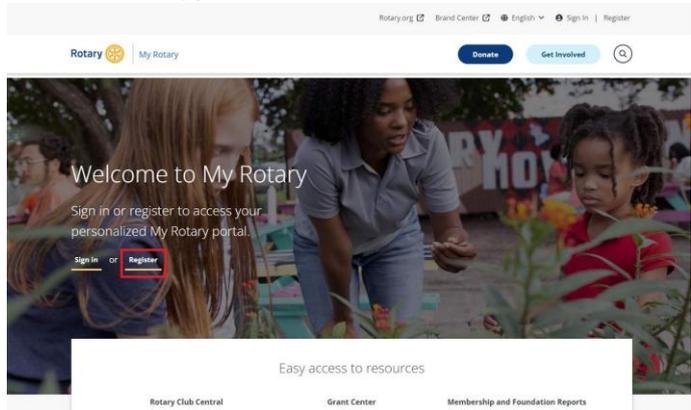

Online resources

There are many online resources available to help you fulfill your responsibilities as the chair or as a member of your club's Rotary Foundation committee and conduct the committee's business efficiently.

What's next

You've learned a lot about how to fulfill your role, and you're ready to get started. Consider these questions as you prepare for the club leadership learning seminar:

- What responsibilities do members of the club Rotary Foundation committee have? What additional responsibilities does the chair have?
- What club goals are assigned to your committee?
- How will you advocate for the Foundation and inspire members to give?
- How can your committee encourage members to contribute every year?
- How will your committee use social media to promote the Foundation and its causes?
- Beyond social media, how will you promote the Foundation to members of your community?
- What are your committee's strengths and weaknesses? What practices should you maintain, and which ones can you improve?
- If you are the chair, what tasks will you delegate to other committee members? How will you support them?
