Working with Your District Team

The goal of the district team is to help clubs succeed. Whether you're a returning member of the team or a new one, this course will help you learn what the district team does and how you can work together to support clubs.

1. Overview of the district team

The district leadership team includes the governor, assistant governors, committees, and incoming and past governors.

This structure is intended to help the district team give clubs the support and guidance they need to succeed. But districts should adjust it as needed.

Your district leadership plan should include:

- Responsibilities for each role
- Required and optional committees
- A process for helping clubs implement the club leadership plan

2. Shared responsibilities

All members of the district leadership team are expected to:

- Work with the governor, governor-elect, governor-nominee, assistant governors, and district committee chairs to set strategies for achieving goals
- Promote and attend district training meetings and the district conference
- Relay information between Rotary International, the district, and club members
- Work closely with club leaders to offer support and guidance
- Collaborate with their regional leaders: regional Rotary Foundation coordinators, Rotary coordinators, Rotary public image coordinators, and endowment/major gifts advisers

3. Required roles and committees

Rotary policy requires some district roles. Let's take a look at the responsibilities the people in these roles have.

During your term, clubs will look to you for leadership, support, and motivation as they carry out service projects and participate in Rotary programs. You also:

- Strengthen clubs, organize new clubs, and increase membership
- Encourage contributions and other support for The Rotary Foundation
- Improve Rotary's public image and serve as a spokesperson for the district

ASSISTANT GOVERNORS

As assistant governor, you're the connection between the clubs assigned to you and the district. The relationships you build with club leaders make Rotary stronger. You also:

- Visit each club regularly to discuss its activities, resources, and opportunities
- Support clubs in setting and achieving goals, finding solutions to challenges, resolving conflicts, and meeting their district and RI administrative requirements
- Serve as a liaison between clubs and district committees

Find details about the qualifications and responsibilities for each of these optional committees in District Leadership Team Responsibilities.

5. Working with each other and with clubs

You know more about the roles of the district team, think about how you can work with the team members and your regional leaders to:

- Give clubs the support they need
- Relay information between clubs and the district

How you work with clubs

The district team is a key resource for clubs, especially those that are struggling. Here are some tips to get you started.

Step 1

Talk with other district team members and past leaders to learn how clubs have worked with others in your role.

Step 2

Review information in Rotary Club Central to determine which clubs you want to work with and what kind of support would benefit them most.

Step 3

Don't forget to ask clubs what they need most. A successful partnership depends on open communication.

Step 4

Encourage clubs to look at the suggestions in *Be a Vibrant Club: Your Club Leadership Plan*. They'll find tips for revitalizing their clubs and engaging new and continuing members.

How you work with each other

How you work together as a team will determine your effectiveness in supporting clubs. Learn each other's roles, areas of expertise, and goals to maximize the support you offer.

Determine which projects and activities your team can take on to have the most impact.

Review your processes for planning district activities and supporting clubs. Ask yourself whether clubs are getting what they need from the team.

Put the team members' skills to use supporting district projects and activities.

What are some opportunities for collaboration in your district? Start by looking at your district's goals and considering these questions:

- What other areas does this goal affect? Membership? Public image? Any others?
- Who else on my team can help work toward this goal?
- What project can we collaborate on to achieve this goal?

6. Working with regional leaders

Regional leaders and their teams have expertise in membership, The Rotary Foundation, public image, and fundraising. They each support multiple districts and can offer the best practices, report on trends, and suggest detailed action steps. Work with them to achieve your district's goals.

Do you know how each regional leader can help you succeed? Drag the tasks below to the right regional leaders.

Regional Rotary Foundation Coordinators – RRFC
 Rotary Coordinators – RC
 Rotary Public Image Coordinators – RPIC

7. Your communication plan

Consider the types of information you want to communicate, how you want to deliver it, and how often. Here are some ways you can make sure your district has the information it needs:

- Assistant governors can relay information among the governor, district committees, and clubs
- District committees can communicate directly with club committees

How is information shared in your district?

Use this checklist to decide how updates should be communicated among clubs, the district, and Rotary International.

Updates from Rotary International

- Who on the team should the governor tell first?
- How quickly should the message be given to clubs? How will you determine a message's priority?
- How will the message be communicated — in person, by phone or email, in a newsletter?
- Will different members of the team be responsible for relaying certain types of information?
- Who will communicate which information?

Communication among clubs, the district, and the zone

- What type of information does your district want to receive from clubs?
- How will you give this information to the governor?
- How should the governor communicate information to you?
- Under what circumstances will governors work directly with clubs?
- How will information from regional leaders be shared with clubs?
- Under what circumstances will regional leaders work directly with clubs?

8. Review

Let's review what you've learned about working with your district team. Match the district team member on the left with the responsibility or opportunity for collaboration with the district team member on the right.

1) Governor	a) Finds ways clubs and local service organizations can collaborate
2) Community service committee	b) Works with other district committees to engage alumni in club and district activities
3) Finance committee	c) Connects clubs with project resources to help them apply for global grants
4) Membership, Rotary Foundation, and public image committees	d) Plans and conducts a Vibrant Club workshop

WE'RE BUILDING THE FUTURE OF ROTARY

A bold plan, for and by People of Action

Rotary is charting a new course to a stronger, more effective and vibrant future. At the center of the effort is our Action Plan: a multi-year strategic roadmap that will help us become the Rotary we want to be—and the Rotary the world needs us to be. The Action Plan builds on the remarkable capabilities we've developed in our own professional lives and careers, and it plays to our strengths as leaders, as clubs, and as a global community of people of action.

To create our plan, we looked at data, membership projections, and emerging social trends. And we listened to Rotarians, Rotaractors, and others who shared their hopes for the future of Rotary and told us we needed to:

Be more nimble and open to new ideas and faces, so we can evolve along with demographic and social changes

Gather and use data more rigorously to improve programs and make a lasting impact on humanitarian needs

Capitalize on new technologies and provide more enriching, engaging, and accessible experiences, so more emerging leaders will connect through Rotary

We assessed what it would take to move from where we are now to where we want to be. Our Action Plan is ambitious—and achievable.

The Action Plan's Four Priorities

PRIORITY 1
**INCREASE
OUR
IMPACT**

PRIORITY 2
**EXPAND
OUR
REACH**

PRIORITY 3
**ENHANCE
PARTICIPANT
ENGAGEMENT**

PRIORITY 4
**INCREASE
OUR ABILITY
TO ADAPT**
